Two girls, arr. for one

The score is written for guitar. The top staff is in treble clef with a key signature of one flat (Bb). It contains a melody with notes, rests, and a 'y' symbol indicating a grace note. The bottom staff is a guitar tablature with six lines, showing fret numbers (0-7) and 'x' marks for muted notes. A 'TAB' label is at the start of the bottom staff. A bracket labeled '1/2' connects the first measure of the melody to the first measure of the tablature. The score is divided into three measures by vertical bar lines.

First system of guitar notation. The top staff is a standard musical staff with a treble clef and a key signature of one flat (B-flat). The bottom staff is a guitar tablature staff with six lines. The tablature includes fret numbers (13, 15, 12, 14) and a 'TAB' label.

Second system of guitar notation, continuing the musical staff and guitar tablature from the first system.

Third system of guitar notation. The top staff is a musical staff with a treble clef and a key signature of one flat. It includes the lyrics: "it's got no-thing to do with you, and there's no - thing that you..." The bottom staff is a guitar tablature staff with fret numbers (5, 4, 3, 4, 5, 3, 4, 5, 4, 5, 3, 4, 5, 4, 5, 3, 4).

SHIFT SLIDE (GLISS & RESTRIKE): Same as legato slide, except the second note is struck.

MUFFLED STRINGS: A percussive sound is produced by laying the fret hand across the string(s) without depressing, and striking them with the pick hand.

PALM MUTING: The note is partially muted by the pick hand lightly touching the string(s) just before the bridge.

SWEEP PICKING: Rhythmic downstroke and/or upstroke motion across the strings.

TRILL: Very rapidly alternate between the notes indicated by continuously hammering on and pulling off.

NATURAL HARMONIC: Strike the note while the fret-hand lightly touches the string directly over the fret indicated.

RAKE: Drag the pick across the strings indicated with a single motion.

VIBRATO DIVE BAR AND RETURN: The pitch of the note or chord is dropped a specific number of steps (in rhythm) then returned to the original pitch.

TAPPING: Hammer ("tap") the fret indicated with the pick-hand index or middle finger and pull off to the note fretted by the fret hand.

PINCH HARMONIC: The note is fretted normally and a harmonic is produced by adding the edge of the thumb or the tip of the index finger of the pick hand to the normal pick attack.

TREMOLO PICKING: The note is picked as rapidly and continuously as possible.

VIBRATO BAR SCOOP: Depress the bar just before striking the note, then quickly release the bar.

PICK SCRAPE: The edge of the pick is rubbed down (or up) the string, producing a scratchy sound.

HARP HARMONIC: The note is fretted normally and a harmonic is produced by gently resting the pick hand's index finger directly above the indicated fret (in parentheses) while the pick hand's thumb or pick assists by plucking the appropriate string.

ARPEGGIATE: Play the notes of the chord indicated by quickly rolling them from bottom to top.

VIBRATO BAR DIP: Strike the note and then immediately drop a specific number of steps, then release back to the original pitch.

NOTE: Tablature numbers in parentheses mean: 1. The note is sustained, but a new articulation (such as hammer on or slide) begins. 2. A note may be fretted but not necessarily played.

Guitar Tablature Explained

Guitar music can be notated three different ways: on a musical staff, in tablature, and in rhythm slashes

RHYTHM SLASHES are written above the staff. Strum chords in the rhythm indicated. Round noteheads indicate single notes.

THE MUSICAL STAFF shows pitches and rhythms and is divided by lines into bars. Pitches are named after the first seven letters of the alphabet.

TABLATURE graphically represents the guitar fingerboard. Each horizontal line represents a string, and each number represents a fret.

Notes: 

Strings: 

4th string, 2nd fret 1st & 2nd strings open, played together open D chord

VIBRATO: The string is vibrated by rapidly bending and releasing the note with the fretting hand.

HAMMER-ON: Strike the first (lower) note with one finger, then sound the higher note (on the same string) with another finger by fretting it without picking.

PULL-OFF: Place both fingers on the notes to be sounded. Strike the first note and without picking, pull the finger off to sound the second (lower) note.

LEGATO SLIDE (GLISS): Strike the first note and then slide the same fret-hand finger up or down to the second note. The second note is not struck.

NOTE: The speed of any bend is indicated by the music notation and tempo.
